

## Medical Practices Accounting, Auditing, Tax and Advisory Services

### Medical Practice Business Group: An Overview

For medical practices, success comes down to this: delivering stellar care while maintaining strong financially profitable enterprises. Given the complexities of the medical industry and the many risks affecting practice performance, creating this well-oiled machine is no small challenge. It means grappling with an increasingly dense system of payers, spiraling operating and infrastructure costs, struggles over compensation issues, tax code changes, new medical reporting requirements and so much more. Not to mention staying up to date on the latest clinical developments so you can assure your patients and their families top-notch, compassionate care.

RBF is the business healthcare provider for medical practices. We coach you in easy-to-implement, cost-effective, and innovative solutions for optimum practice performance. Our experts keep you informed of the latest industry, risk, and business developments that will affect your profitability now, next year, as long as you are in practice.

We focus on wealth creation at all stages of the practice life cycle. Whether it's time to buy, restructure, merge, or sell, we take a hands-on, proactive role on your behalf, assuring your long-term financial well-being.

### Some specific ways we help our medical practice clients:

- Introducing an empirical method for quantifying net profit per patient service
- Advising on modernized billing systems
- Consulting on corporate tax strategies and reporting
- Creating realistic job descriptions, relocation analysis, and attractive compensation/bonus plans
- Structuring equity interests for a transaction or for growth
- Valuing the practice
- Developing funding strategies for the deal at hand and for buy/sell agreements for the future

### But that's only part of the story.

For a more specific description of these and other accomplishments on behalf of our medical practice clients, call Bill Rucci, CPA, MST, CGMA at (781) 321.6065 or email [billr@rbfpc.com](mailto:billr@rbfpc.com)
